

Community Notice

A Community Directory is being created to help those in need over the SARS-COVID-19 (Coronavirus) crisis. Contact cards are being prepared which will be delivered to people as soon as possible.

For more details on the above scheme, please ring 01452 307604.

In the meantime, please follow all the NHS guidelines on washing hands (for 20 seconds) and reduce social contact as much as possible.

We discovered that The Lord's Prayer takes about 20 seconds to say, so that's a wonderful way to stay healthy spiritually as well!

Sadly, due to the crisis, there will be no public services of worship for the foreseeable future.

We will try to update the Holy Trinity Facebook page and the Holy Trinity website: www.holytrinitylonglevens.org.uk

with as much information as possible, when we receive it.

Please Stay Safe!
