

Holy Trinity Church

Longlevens Gloucester

All our services will be said services. Initially we will not be printing Pew Sheets, so would encourage people coming to services to bring their own Bibles if they want to follow the text of the readings. Those coming to services as a family or “social bubble” are welcome to sit together, others are encouraged to maintain social distancing and sit in a separate row of pews.

For the time being we will continue to produce the Sofa Sheet and Postscript, and hope that it will be possible to publish the text of the sermon each week, although that will be after the service, not in advance.
